

# Industrial Compliance Assessment

## Industrial Compliance Assessment

### Audit Status Summary

- **Completed Audits:** 85% of facilities reviewed
- **Non-Compliance Issues:** 12 critical findings identified
- **Remediation Status:** 70% of issues addressed

### Safety Findings

- **Equipment Safety:** 93% compliance with OSHA standards
- **Emergency Protocols:** 80% adherence; 15% require updates
- **Training Coverage:** 100% staff trained, but 20% need refresher courses

### Recommendations

1. Prioritize unresolved non-compliance items
2. Update emergency protocols by Q3 2023
3. Schedule quarterly safety training sessions
